

Buy local and be rewarded when you use your MMFCU VISA Platinum Rewards card at locations in our field of membership. Transactions must be processed in an **eligible** local ZIP Code from Dec. 15, 2015 - Dec. 15, 2016 to earn double rewards points. For example, if a local retail store does not process the transaction through a local ZIP Code and processes it in another state, the purchase does not qualify.

**Eligible ZIP Codes are:**
