

It happens to all of us.

You make an honest mistake in your checkbook, come up a little short before payday or encounter some unusual or unforeseen circumstances when you least expect it. That's why Mid Minnesota Federal Credit Union offers Overdraft Protection on your checking account.

Overdraft Protection options made easy.

Courtesy Pay

MMFCU provides Courtesy Pay, which allows you to overdraw your account up to the disclosed limit for a fee in order to pay a transaction. Even if you have another form of Overdraft Protection, Courtesy Pay is still available as secondary coverage if your other protection sources are exhausted.

Budgeting Resource

MMFCU offers free budget and debt counseling at local branches, or by referral to another financial counseling resource.

Overdraft Line of Credit

- Activated when your checking account doesn't have enough funds to cover your check or debit card withdrawal. Transfers are made automatically to your checking account in increments of \$100.
- You don't pay interest until the line of credit is utilized.
- You can pay off the balance in full or in regular monthly loan payments.
- Your overdraft line also provides you with a personal line of credit for use for whatever you need just by writing a check, or using your VISA Debit Card or ATM Card.

Enjoy the peace of mind you get with Overdraft Line of Credit. To apply simply call your local MMFCU branch, apply online at mmfcu.org or fill out a quick application and mail or fax it to any branch office.

Overdraft Example

Overdraft Fees vs. Overdraft Line of Credit

	Overdraft Fee	Overdraft Line of Credit

Two Overdrafts	\$50/one time fee	\$3.05/monthly interest on a \$200 transfer

Courtesy Pay does not constitute either a written agreement or an obligation or a prearrangement to pay your overdraft. We may withdraw Courtesy Pay at anytime. You must maintain your account in good standing by bringing your account current within 32 days, not being in default on any loan obligation to MMFCU; or not having your account subject to any legal or administrative order or levy. Overdraft Line of Credit comparison example based on 18% APR interest for 31 days. Subject to credit approval. Some restrictions apply.
